

We are 2 weeks into the renovation project and things are moving along beautifully! The remodel of the Children's Activity Center is so exciting and we can't wait to for our new state of the art CAC. We will let you know when the Grand RE-Opening will be.

These first couple of weeks have been an adjustment period for us all, but we feel that the children are still enjoying the CAC as much as always. Although there are a few more limitations with the temporary set-up our primary goal is to keep your children safe and happy. If we work together and communicate I think everyone can have a great time during construction.

**Keep this in mind when making reservations:**

- Reservations are required a day in advance during the hours of 8:00 am-1:00 pm Monday through Fridays.
  - If you would like to come in after 1:00pm, reservations are required two hours in advance if space is available.
- On Saturdays and Sundays we will take same day reservations with a two-hour advance notice based upon availability.
  - Should we not have a timeslot available when you want it, please mention an alternative time or ask to be put on the waiting list.
- During the renovation we cannot accept walk-ins any day of the week.
- Please call to cancel a reservation to open a spot for those on the wait-list.

**CAC Hours changes:**

- Saturday, October 21<sup>st</sup> the CAC's hours of operation will be from 8:00 am to 12:00 noon. (We are closing one hour early to make way for our 20<sup>th</sup> anniversary celebration for all you parents!)
- Tuesday, October 31<sup>st</sup> the CAC's hours of operation will be from 8:00 am-4:00 pm. (Halloween!)

Thank you so much for your flexibility and patience during this exciting time. The NEW activity center will be wonderful and your children will enjoy it for years to come. Looking forward to our GRAND REOPENING...!

Noelle, CAC Staff, and HTSW
