

Hello Members,

It is with sadness that HealthTrack will be **closing** temporarily at **8pm today, 3/16/2020**. As an independent neighborhood business we have always taken pride and joy in servicing our members to the fullest extent. With the current situation of COVID-19 we feel it is necessary to take this action based on the constantly evolving information from the CDC. We are hoping to re-open on 3/31/2020.

To date there have been no confirmed cases of the virus at HealthTrack. For the last few weeks we have done all we can to support the health and safety of our members and staff. As we navigate through these uncharted waters we appreciate your support.

The fabulous staff at HealthTrack deserves accolades for adjusting to the changes we made with protocols as recommended by the CDC. Our staff is a strength within our club and we appreciate their commitment to you and our club.

We hope to stay in touch with you, our members, with tips about health, wellness, activity and more. Follow our Website, [www.HTSW.net](http://www.HTSW.net) and Facebook; look for emails and social media posts for tips and information. We want our community to stay connected.

We appreciate your loyalty and patience during this time and can't wait to see your smiling faces at the club in the near future!

Our warmest regards,  
The HTSW Staff
