

Dt: 6/14/2020

Dear HealthTrack Tennis Member,

We are thrilled to announce the FULL Reopening of our Tennis Programs and Courts. After our two week "*soft opening*" of the courts and the huge demand to play, we are confident that our [safety protocols](#) and guidelines are practical and well received by our Tennis Membership.

Beginning Monday, June 15, 2020, full usage of the tennis courts will be available to all Tennis Memberships with pre-closure booking procedures and rules available. The Tennis Courts will be available 7am – 8pm Monday through Friday and 9am - 3pm on Saturday.

There will be no official billing for the second half of June dues as prepaid March dues will be applied to offset any cost. If you have prepaid for a court rental after June 14th, that charge will be removed.

With the much anticipated June 26th Governor's announcement of Phase Four Reopening, we are extremely optimistic that HTSW will be able to reopen other parts of the Club under new capacity guidelines. Stay tuned for that exciting announcement!

Welcome Back!
